THE PROBLEM

1. To review USEUCOM Plan (Berlin) 10-55* and USEUCOM Plan (Berlin) 12-55.**

FACTS BEARING ON THE PROBLEM

2. On 29 December 1954, the Joint Chiefs of Staff directed*** USCINCEUR to prepare certain plans on the military aspects of United States policy toward Berlin (NSC 5404/1)**** to include unilateral contingency plans to deal with a blockade, if imposed by the Soviets or East Germans, and for meeting local reprisals and harassing actions.

3. On 12 January 1955, the Joint Chiefs of Staff recommended# that the Secretary of Defense approve a recommendation## by the Operations Coordinating Board (OCB), that the National Security Council give consideration to unilateral courses of action which might be appropriate at this time to deal with a blockade of Berlin, if imposed by the Soviets or East Germans, or to deal with increased harassment seriously impeding Western access to Berlin. In addition, the Joint Chiefs of Staff stated that, after their review of the plans referred to in paragraph 2 above, they would advise the Secretary of Defense of proposed courses of action.

4. In response to the directive set forth in paragraph 2 above, USCINCEUR submitted two reports### on the status of his plans. He submitted USEUCOM Plan (Berlin) 10-55 as a unilateral contingency plan for limited use of United States military forces, to determine Soviet intentions and reopen access to Berlin in

case of a blockade or in case Western access to Berlin is seriously limited by harassing actions, and USEUCOM Plan (Berlin) 12-55 as a unilateral airlift plan in the event all surface means of access to Berlin are blocked.

5. The Chief of Staff, U.S. Army,* the Chief of Naval Operations,** the Chief of Staff, U.S. Air Force,*** and the Commandant of the Marine Corps**** have submitted comments on these plans.

DISCUSSION

6. For discussion, see Enclosure "C".

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Subject: U.S. Policy Toward Berlin

1. In a memorandum for the National Security Council* dated 7 January 1955, subject as above, the Executive Secretary, National Security Council, forwarded for consideration by the National Security Council an Operations Coordinating Board recommendation with respect to paragraph 9 of NSC 5404/1** which stated that ". . . the NSC give consideration to courses of action which might be appropriate at this time, in the absence of . . . consultation [with France and the United Kingdom], to deal with a blockade [of Berlin] imposed by the Soviets or the East Germans or to deal with increased harrassment . . . seriously impeding Western access to Berlin . . ."

2. On 12 January 1955 the Joint Chiefs of Staff recommended*** that you concur in the above recommendation by the Operations Coordinating Board, and stated that you would be advised of proposed courses of action after the Joint Chiefs of Staff had reviewed U.S. unilateral contingency plans being prepared by USCINCEUR to deal with a blockade of Berlin, if imposed by the Soviets or the East Germans, and for meeting local reprisals and harassing actions.

3. The Joint Chiefs of Staff have recently reviewed these plans**** and consider that they provide for adequate implementation, at this time, of those military aspects of U.S. Policy
